Some Important Points to Card safety and help protect against fraud

1. Card safety

- Sign the signature panel on the back of your card as soon as you get it
- Never keep your PIN code in the same place as your card
- Never write your personal identification number (PIN) on your card.

2. Keep your account number private

- Keep your card safe — don't let anyone see
- Never allow anyone else to use your card. It is yours and yours alone
- Don't give the number over the phone unless you initiated the call and you're talking to your bank or a merchant you trust
- Never allow your card to be taken out of site
- Never answer an email that asks for your account number or personal information — even if it looks like it's from your bank or a reputable company or organization
- Consider paperless statements to remove your sensitive information from the postal system
- Store paper statements and other documents with sensitive information securely and shred prior to disposal

3. Be careful with your receipts

- Extra spaces on the receipt? Draw a line through them before you sign, so nothing can be added later
- Keep your receipts and check them against your Account Statements
- Don't just toss receipts and duplicates — shred the ones you don't need and securely file the rest

4. Make sure your devices and networks are secure

- Make sure your computer is equipped with a firewall, which prevents unauthorized users from gaining access to your computer or monitoring transfers of information to and from the computer
- Be sure to download and install any operating system and software updates (sometimes called patches or service packs) in a timely manner
- Make sure your browser software is up to date
- Equip your computer with virus-protection software. Avoid downloading software or programs from unknown sources

5. Keep your passwords secret

- Choose effective passwords that use both letters and numbers
- Avoid using names, birthdays or anniversaries
- Never share your passwords, and never keep them near your card
- Consider changing your passwords periodically and don't use the same password for all your accounts

6. Report lost cards and suspected fraud right away

If you lose your credit card or suspect fraudulent activity, contact us immediately @1095 (toll free). We can block your card and account number so no one else can use them, and give you a new card and account number.
